Industries incurring losses

2431. SHRI PRAMOD MAHAJAN

SHRI SHANKER SINH VAGHELA:

Will the Minister of FINANCE be pleased to state:

(a) the names of industries which are incurring continuous losses during the last three years alongwith the amount of actual loss each year and the total investment thereon; and

(b) what steps have been taken to eliminate such losses and with what results?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARI): (a) The Industrial Development Bank of India (IDBI) has reported that as per the findings based on annually conducted study of the performance of a sample of their assisted companies in major industry groups, there are profit making as well as loss making units in all the industry groups and it is, therefore, not appropriate to classify any particular industry as loss making.

(b) IDBI has also reported that all India term lending financial institutions have a monitoring mechanism with a view to detecting incipient sickness and to take-up diagnostic studies in respect of assisted units incurring losses. The lead institution for a unit takes up intensive monitoring of its problems and works out remedial measures. Suitable packages envisaging reliefs| concessions and additional assistance for rehabilitation|modernisation|diversification from various agencies are worked out for potentially viable sick units. The institutions also follow up implementation of such packages. As a result of various measures adopted by these institutions and improvement in market conditions, about 70 units are reported to have been revived during the last 5 years.
